BRITNEY

For whatever reason
I feel like I've been wanting you all my life
You don't understand
I'm so glad we're at the same place at the same time
It's over now

I spotted you dancing
You made all the girls stare
With those lips and your brown eyes (ooh)
And the sexy hair (uh)
I shake, shake my thing (ooh)
I make the world want you (he-he-he)
Tell your boys you'll be back
I wanna see what you can do (uh)

What would it take for you to just leave with me (uh-uh)
Not trying to sound conceited but me and you were
meant to be (yeah-yeah)
You're a sexy guy (uh)
I'm a nice girl (don't you know)
Let's turn this dance floor into our own little nasty world

Boys
Sometimes a girl just needs one (you know I need you)
Boys
To love her and to hold (I just want you to touch me)
Boys
And when a girl is with one (umm-umm)
Boys
Then she is in control (yeah)

PHARRELL (BRITNEY)

Pull your girl off the dance floor
Whisper in her ear
Must have said something 'bout me (what you say)
Cuz now she's looking over here (ooh)
You looking at me (he-he-he)
With that sexy attitude
But the way your girls moving it (ow)
It puts me in the mood

(Ow)
Girl, c'mon
What would it take for you to just leave with me
Not trying to sound conceited but meeting you was
destiny
I'm from N.E.R.D (ooh)
Aren't you Britney (don't you know)
Let's turn this dance floor into our own little nasty thing
(get nasty)

Girls
I can't fit for no one (get nasty)
Girls
I'm gonna need her all the time (get nasty)
Girls
I don't know 'bout your girl (get nasty)
Girls
But I know she's judging mine

BRITNEY

You like that (ooh)

Have no fear
Baby what you waiting for
Uh-uh
Let me see what you can do

Boys
Sometimes a girl just needs one
Boys (I like that)
To love her and to hold (the way you move)
Boys
And when a girl is with one (it's gonna turn me on)
Boys (yeah)
Then she is in control (ooh)

PHARRELL (BRITNEY)

Girls
I can't fit for no one
Girls
I'm gonna need her all the time (it's just me and you
