[Verse 1]

It might seem crazy what I'm 'bout to say  
Sunshine she's here, you can take a break  
Mama - hot air balloon that could go to space  
With the air like I don't care, baby, by the way

[Hook]

Because I'm happy...  
Come along if you feel like a room without a roof  
Because I'm happy...  
Clap along if you feel like happiness is the truth  
Because I'm happy...  
Clap along if you know what happiness is to you  
Because I'm happy...  
Clap along if you feel like that's what you want to do

[Verse 2]

Here comes bad news, talkin' this and that  
But give me all you've got, and don't hold it back  
Well, I should probably warn you, I'll be just fine  
No offense to you, don't waste your time, here's why...

[Hook]

[Bridge]

Bring me down... can't nothing...  
Bring me down... your love is too high...  
Bring me down... can't nothing...  
Bring me down, I said (let me tell you now)  
Bring me down... can't nothing...  
Bring me down... your love is too high...  
Bring me down... can't nothing...  
Bring me down, I said...

[Hook x2]

[Bridge 2]

Bring me down... can't nothing...  
Bring me down... your love is too high...  
Bring me down... can't nothing...  
Bring me down, I said (let me tell you now)

[Hook x2]
