Ladies and Gentlemen

Yes'ir

Let'ch'ems do it

Yes'ir

Hot, yo

On and on and my nuts I'm palmin'

Take two of these and call me in the mornin'

You should see the way the chain harness the charm

And fly I'm 'til like a Bird'like Nelly

Furtado

Shit, pop your bottles, toast and scream cheers

Get your two step 'cause this the record of the  
year

Nigga that brought you Ice Creams, 2 for a pair

Officially announcing this is Warfare 'cuz

Back in the day, my clouds was Gray

And it seemed liked my angels couldn't blow them  
away

But then I sold my first verse and copped that NSX

But I was still ridin' in them dead ass jets but  
now

Man, my vision so clear out the window of the Leer

And I'm talkin' on my celly all the shit that you should  
hear

Listen clearly now, hello? Can you hear me now?

Can I have it like that?

(You got it like that)

Can I have it like that?

(You got it like that)

Can I have it like that?

(You got it like that)

Can I have it like that?

(You got it like that)

So drop your purse and grab your hips

(Uh huh)

And act like you tryin'  
To get this money right quick

So Can I have it like that?  
(You got it like that)  
Can I have it like that?  
(You got it like that)

On and on and this beat is on and  
I control their mind from straight over the phone  
Let 'em explore the words, something like a tourist  
And never get addicted unless that heady-wop is  
serious

(Yes'ir)  
From Louisville to Jimmy Choos he's real  
She know the time, she see the Richard Mille  
Plat double skeletal, Tourbillion  
It just like her body move, it turns her on

She like the way my hands use her body for hand  
warmers  
And all our car doors go up like  
~Transformers™  
See I can do it this-a-way, I can do it that-a-way  
From the crib in Virginia to that new Miami getaway

So cool it like New Edition unless you hot as you say  
(Woo)  
I get it okay, let it ball away  
But please run along, because ladies is feelin' wrong  
And I got something right for them right after this song

On and on and, the temperature is warm and  
I spit heat flashes, niggaz get nauseous  
Bright as a bitch, so analyze with caution  
When the light hit the ice, bet 100 that you vomit

And should I mention the fact my Transition is the track  
New accession to the vision just to get me where I'm  
at?  
Huh, Little Skateboard, he too grown  
(Come on)

Ridin' up and down Collins in that that new Two Tone  
It's so cold, you don't wanna feel the chill of it  
(Uh)  
Just stand back and just look at the grill of it  
(Uh)

I don't smoke but I bet the sensanel of it  
Totally intensifies the vivid ass appeal of it  
You can be jealous and grit your teeth  
(Uh huh)

But all these little niggaz got somethin'™ in  
reach  
So you want heat? These niggaz can front heat  
While I'm on my boat party, tryin' to Sunseat
