My nigga you can do it too
Turn me up, turn me up, you can do it too
My nigga you can do it too, you can do it too
You can do it too, just tellin' you, ya know?

Aiyyo, never in a million years I'll imagine I'll get my
thrills
By listening to squeals of the PJ wheels
As we land I duck down, I stick my head up
My dick is being sucked down by a bitch named 'What
Now'

I look in her eyes, and her eyes are like an orange star
Look at the reflection of my foreign car by R & R
I stick my feet out, you know the bapes that's made of
eel
You know the new checks with nigo face right on the
heel

I was a marching band, I was a skateboarder
Jesus made wine, I couldn't make water
Ox-moronic, I'm here to destroy all you hate hoarders
You niggaz was cool in school now you niggaz take
orders

I'm not dissin your job
But now you listen and nod
Some mount the limit shit
I know this position is odd

Don't gasp for air
You can turn blue
Look, accel nigga
Trust me you can do it

You can do it too young love
You can do it too young love
Just watch what you do young love
And watch who's in your crew young love

It don't matter if you do drugs
Or even if you threw slugs

You can do it too young love
I did it, you can do it too young love

I know niggaz are like there's no returning
When I bought that white five-fifth
So white that the coke heads just might try sniff
I ordered the Phantom Coupe, that's smoke pipe gray
And the interior was like crack white beige

At least that's what it looked like when it was on that
page
I combed the whole brochure and it did not say, oh,
well
Life's a bitch but not too extreme
Life's got a fat ass, Trust me I'ma fuck full steam

I make the world cream and scream, while I'm gettin'
my cream
I'm coming to America call me Prince Akeem, yessir
It's kinda weird, 'cause this I dream
Kinda prophetic ya get it 'cause this I've seen

These type of visions, since I's teen
I told my teacher what I saw, she said I missed byzine
Laughed with the class with the slightest clue
You be buying my shit and I be rappin' to you, but you
can do it too

You can do it too young love
You can do it too young love
Just watch what you do young love
And watch who's in your crew young love

It don't matter if you do drugs
Or even if you threw slugs
You can do it too young love
I did it, you can do it too

I know you heard the story about the dude with the
attitude
Pharrell he don't even know you but he mad at you
He got robbed and it seems he has accused
He's frustrated and that it all he has is you

So things propel and things excel
And the next the a bing comes out the barrel
And my man they accused sittin' tight up in jail
Ironic he close my man Luke can hear him yell

I ain't do it but somebody dropped him flat
I felt the wind from it, that was God cocking back

I got a call from Virginia grandma went back
The line was fluctuated but it just now went flat

See her body went down and her soul went up
She sent Angels around me so evil could not touch
I don't lie no more and I'm haunted when I fuck
Wealthy niggaz with a conscience, yeah, you know
what's up

The wires across and it's breeding a plague
The conscience is hungry and it's eating away
Trying to make sense of it, but it's speedy in vain
Up all night with the books and you read till the day

But still ya house of diddy 'cause you got a little paper
Push a cat in the corner, trust me it's the nature
Never underestimate the things you do
Read your verse too, inhale the "oo", and go

You can do it too young love
You can do it too young love
Just watch what you do young love
And watch who's in your crew young love

It don't matter if you do drugs
Or even if you threw slugs
You can do it too young love
I did it, you can do it too

Fella, don't be afraid to look up at the sky
Fella, don't be afraid to look up at the sky
My nigga, don't be afraid to look up at the sky
Fellas, don't be afraid to look up at the sky

Check it, don't be afraid to look up at the sky
My nigga, don't be afraid to look up at the sky
Fellas, don't be afraid to look up at the sky
My niggaz, don't be afraid to look up at the sky

Let me tell you story of my situation
Let me tell you story of my situation
Let me tell you story of my
Let me tell you story of my situation
