Ooh
I surrender to the sun
surrender to the stars
and gonna loose the feeling life is ours
surrender to the moon
surrender, so come on
let's get this party started on and on
on and on

Oh, Oh I, I surrender
Oh, Oh I, I surrender
I-I-I-I-I-I surrender, come on
I-I-I-I-I-I surrender (I surrender)
I-I-I-I-I-I surrender, come on
I-I-I-I-I-I surrender

I feel I wanna dance
I feel I wanna cry
I feel I wanna leave the world behind
I feel that I'm in love
I feel that I can fly
I feel I wanna party all the time

Oh, Oh, na na na..

Oh, Oh I, I surrender
Oh, Oh I, I surrender
I-I-I-I-I-I surrender, come on
I-I-I-I-I-I surrender

Ooh...
