Ä°t's getting dark,
Ä°s hard to breath.
Ä° try to watch,
But i just cant see
Where i'm goin
And what could be
Cant make this sound of this
Ä° dont wanna go,i dont wanna stay
Ä° really wanna leave
But i am so afraid
Even though it's hard
Ä° can't back,going on

Ä° cant see to find my way of this maze
Ä° know this place and
Ä° cant see to find my way off the dark
Shouldnt be this hard
And i dont know if ill ever find my way
i dont know iff ill ever found my way
