We like to think of this song as our pop-rock version of "This Little Light Of Mine." It's amazing what one flicker of light from one candle can do to a dark room. It's even more amazing what one shining example can do in this crooked and depraved world we live in. Matt. 5: 14-16, Phil. 2: 14-16

Can you feel it? This world of darkness,
You know it's all around.
It tries to break you and suffocate you.
You know it drags you down.

We got a light, we're gonna shine it tonight.
So if you're with us, raise your hands up singing,
"Lord, I know I need Your light inside of me,
For all the world to see."

I NEED SUNSHINE FOR RAINY DAYS,
DAYLIGHT FOR DARKER DAYS.
LET YOUR LOVE SHINE DOWN ON ME.
LET YOUR LOVE SHINE DOWN UPON ME.
SHINE!

It's just a flicker, this little light of mine,
But the darkness never extinguishes,
The light that Jesus shines.
