Words, words, words, I'm so sick of words.
I hear words all day through first from him, now from
you.
Is that all you blighters can do!

Don't talk of stars glooming above, if you're in love,
show me.
Don't talk of dreams filled with desire, if you're on fire,
show me.
Here we are together in the middle of the night, don't
talk of spring just hold me tight.
Anyone who's ever been in love'll tell you that this is no
time for a chat.
Haven't your lips longed for my touch, don't say how
much, show me, show me.

Don't talk of love lasting through time, make me no
undying vow!
Show me now!

Sing me no song, read me no rhyme, don't waste my
time, show me.
Don't talk of June, don't talk of fall, don't talk at all,
show me.
Here we are together in what ought to be a dream, say
one more word and I'll scream!
Haven't your arms hungered for mine, please don't
explain, show me, show me.

Don't wait until wrinkles and lines pop up all over my
brow!
Show me now!
