Iâve been through rocky waters, been over the falls
Feel like a pilot in a plane when it stalls

Itâs all coming back
Itâs all coming back
Itâs all coming back
Cominâ back to me now

Couldnât get my compass, canât find my pack
Didnât know if Iâd ever find my way back

Feel like a deer in the headlights
Or a car with no brakes
Sometimes leave me laughing, sometimes my heart
aches

Itâs all...

I get snapped into focus by that oncoming train
I got too much to lose, I got so much to gain

Itâs all...
