Time is the final currency
Not money, not power
The time will come when you will give
Anything for one more hour

Today I learned there are no secrets
Only time for them to unfold
And the patience to watch the scroll of truth
Slowly be unrolled

There is a time to this
There is a flow
There is a tension here
Like a hard bent bow
Ready to send up
Send up another one
Another spark in the night
And suddenly you realize
That this time it is all right

I watched the greatest miracle
Take three quarters of a year
To bring forth life and tiny breath
For all the world to hear

There is a time...
