Cramp Feat. Natalie Peris

Every day's another story to write
Endless chapters full of tears and lies
So many pages yet no answers to why
I'm still hanging on when there's
No love in sight.

Show me the meaning
(Show me the meaning)
Show me that there's more to this
Show me the meaning
(Show me the meaning)
Show me that this love still lives

Show me the meaning
(Show me the meaning)
Show me that there's more to this
Open your heart and let me in
Without love I can exist.
