You blackened your windows... you coward.
You're like a candle without it's wick, what is your
purpose?
What does a lighthouse without it's light accomplish?
Please tell me this.

If everything inside knows we're called to illuminate
Christ, then what are we
Waiting for?
Stand up, get up, it's time things change. Ignite, we'll
draw the masses with
Our flames.

The whole world is waiting, un-tint your windows. We
are a lighthouse. Shine
Forth.

The Kingdom of God is yearning. We will stand for our
King.
We will stand for our King. We will stand for our King.
We will stand for our King. We will stand for our King.

Our battle has already been won and so we stand
before You today.
Lift high the name above all names.

All chains break loose. All chains break loose. All chains
break loose...
Let go...
