

## Creations "Idols"

Religion has killed what once was love, and turned it to  
idols and nothing more  
Than scheduled prayers and empty words.

You are better than this, God you deserve so much  
more.  
All You want is intimacy with me, that's why You gave  
everything.

Daily convict me of my routine. I need you to be more  
than a pulpit on Sunday.  
I desire to give more than a song... Is this all that you  
have become?  
A plastic Jesus I wear around my neck, paste on my car  
or wear on a shirt.

No I will not stand by. This is for the Church of Christ.  
The ones that call  
Themselves the Body.  
Burn your plastic Jesus. You will stand naked before  
God.  
Burn your plastic Jesus. You will stand naked before  
God. And all else will  
Fade away.

We stand before You today, with all else stripped away.  
Take all of me, let  
Nothing else remain.  
We stand before You today, with all else stripped away.  
Take all of me, let  
Nothing else remain.  
We stand before You today, with all else stripped away.  
Take all of me, let  
Nothing else remain
