My heart cries out,  
May my voice be heard.  
May my voice be HEARD!  
Run Run away  
From those who will not preach the gospel.  
They do not speak the truth their only goal is to  
tickle your ears!

They are Gods judgement on a people who only want  
what  
their carnal hearts desire.  
Wanting the kingdom without the king.  
But when the king brings judgement  
You will find they were so good at lying!

They had themselves deceived.  
You cant have the kingdom without the king.  
You cant have the kingdom without the king.  
Without the king!

How dare you treat my God as means for gain.  
Im disgusted by what you call Christian.  
You have no authority; you have no right to tell my God  
what to do.  
Repent or on the judgement day.  
Youll see his face on the battleground!

For the day of judgement will come.  
And if you do not kneel a rod of iron will break your  
knees!  
Found guilty!  
Found guilty!  
A rod of iron will break your knees  
Found Guilty!
