"Never Forget"

Listen closely, to the words to the words the Lord my
God is speaking to you
Jesus knows of the troubles and
The trials we're going through...
Phil, record this message in a song
And spread it to the four corners of the earth

Let me repeat what God spoke to me...

Don't ever forget, when you're in the dark
What God told you when you were in the light
Don't ever forget, when you're in the dark
What God told you when you were in the light

When the darkness comes and it seems as
Though all the light has faded from your faith
Remember the words the Lord thy God spoke
To me through my shepherd
Phil, record this message in a song
And spread it to the four corners of the earth
Let me repeat, what God spoke to me...

Don't ever forget, when you're in the dark
What God told you when you were in the light
Don't ever forget, when you're in the dark
What God told you when you were in the light
