A soldier stands before you, and I feel so alone
Lord this world just hurts too much and
I need to feel you
They're stealing your words from books and in stone

I'm just a new believer Lord,
But I wanted you to know that

I know who you are; you're the Lord my God...

You're a road through the wilderness,
A river through the desert,
I love you Jesus...
You're a road through the wilderness,
A light in the darkness,
I love you Jesus...

They bind us with laws Lord,
And they tell us how to pray
So many things have changed my Lord,
Yet they seem the same
The world has lost faith, it echoes in my head

I'm the least in the kingdom,
But I wanted you to know that

You're a road through the wilderness,
A river through the desert,
I love you Jesus...
You're a road through the wilderness,
A light in the darkness,
I love you Jesus...
