Breaking rocks in the hot sun
I fought the law and the law won
I fought the law and the law won
I needed money cause I had none
I fought the law and the law won
I fought the law and the law won

I miss my baby and I feel so bad
I guess my race is run
Well she's the best girl that I've ever had
I fought the law and the law won
I fought the law and the law won

Robbing people with a zip gun
I fought the law and the law won
I fought the law and the law won

I miss my baby and the good fun
I fought the law and the law won
I fought the law and the law won

I miss my baby and I feel so bad
I guess my race is run
Well she's the best girl that I've ever had
I fought the law and the law won
I fought the law and the law won
