In my head  
You're the only thing that's going round  
Can't resist  
I'm so fascinated by the sound

You play on and on  
Every day, every night  
It's the sweetest song  
Every note feels so right

Now i know what i wanna hear loud  
My heart Ä±s still crying Ä±t out  
There's nothing else when you're near  
In my headphones  
In my headphones  
Now the sound is so deafennig  
Round over and over again  
How i always can hear you sing  
In my headphones  
In my headphones

Take me there  
All i want is us in stereo  
I don't care  
'bout nothing else that's on the radio

You play on and on  
Every day, every night  
It's the sweetest song  
Every note feels so right

Now Ä± know what Ä± wanna hear loud  
My heart Ä±s still crying Ä±t out  
There's nothing else when you're near  
In my headphones  
In my headphones  
Now the sound Ä±s so deafennig  
Round over and over again  
How i always can hear you sing  
In my headphones  
In my headphones
