Come before
His presence
With an open heart
To receive him

When you come
Before His presence
Lay your burdens
Down at Jesus' feet

Come before
His presence
And you can forget
All your troubles

When you come
Before His presence
Let Him warm your
Heart and be at ease to

Worship Him in true holiness
Worship Him for his righteousness
Worship Him lift up His holy name
And come before His presence

Bringing Him your highest praise

Kneel before the altar
Sending all your prayers
In Jesus' name

Bow before the Father
He is waiting, ask
Him to forgive you

When you bow
Before the Father
He will wipe your tears
He'll give you joy

Worship Him in true holiness

Worship Him for his righteousness
Worship Him lift up His holy name
And come before His presence
Bringing Him your highest praise
