Easy lover
She'll get a hold on you believe it
Like no other
Before you know it you'll be on your knees

She's an easy lover
She'll take your heart but you won't feel it
She's like no other
And I'm just trying to make you see

She's the kind of girl you dream of
Dream of keeping hold of
You'd better forget it, you'll never get it
She will play around and leave you
Leave you and deceive you
Better forget it, oh, you'll regret it

No, you'll never change her
So leave it, leave it
Get out quick
'Cause seeing is believing
It's the only way you'll ever know

She's an easy lover
She'll get a hold on you believe it
Like no other
Before you know it you'll be on your knees

She's an easy lover
She'll take your heart but you won't feel it
She's like no other
And I'm just trying to make you see

You're the one that wants to hold her
Hold her and control her
You'd better forget it, you'll never get it
For she'll say there's no other
Till she finds another
Better forget it, oh, you'll regret it

And don't try to change her
Just leave it, leave it

You're not the only one
Ooh, seeing is believing
It's the only way, you'll ever know, oh

No don't try to change her
Just leave it, leave it
You're not the only one
'Cause seeing is believing
It's the only way
You'll ever know, oh

She's an easy lover
She'll get a hold on you believe it
She's like no other
Before you know it you'll be on your knees

She's an easy lover
She'll take your heart but you won't feel it
She's like no other
And I'm just trying to make you see

She's an easy lover
She'll get a hold on you believe it
And like no other
Before you know it you'll be on your knees

She's an easy lover
She'll take your heart but you won't feel it
She's like no other
And I'm just trying to make you see
She's an easy lover
She'll get a hold on you believe it
