When I'm hanging around yeah baby
I ain't stupid
I got a gun -- yeah I'm dumb
I shoot it just for fun
All the time

I stupid I don't care
I stupid (anyway)
Baby, baby an' I don't care
I stupid baby yeah anyway

When I rode round your door yeah baby it ain't cool
I ain't stupid
I dropped out of high school
Yeah girl, feel cool
I ain't stupid, stupid as a

I stupid I don't care
I stupid (anyway)
Baby, baby an' I don't care
I stupid baby yeah anyway
