Let's get wild
Tonight is the night
You're dancing with me
I'm feeling alright

You're se cool
Even cooler than that ice in my glass
Addicted to the beat
Boy, I'm moving so fast

I'm on the dance floor
Let it go
Make my Louboutines raise the ground
You know that I love this sound,
DJ! What you got?

Lalalalalala
It's unreal and I feel that I'm losing control
Lalalalalala
Music goes and it flows from my head to my toes

Lalalalalala
It's unreal and I feel that I'm losing control
Lalalalalala
Music goes and it flows from my head to my toes

We're gonna get this going on and on (on and on)
We're gonna keep on dancing till the moon is gone (dancing till the moon is gone)

Nobody's quiet
Tonight is the night
You're dancing with me
I'm feeling alright

You're se cool
Even cooler than that ice in my glass
Addicted to the beat
Boy, I'm moving so fast
I'm on the dance floor

Lalalalalala
It's unreal and I feel that I'm losing control
Lalalalalala
Music goes and it flows from my head to my toes
