Please please stop

If you see her  
Please give her this message  
Oh won't you tell her  
How much I miss her  
Even better  
Tell her I must meet her  
Or tell her that I love her  
And nothing's changed

You see together  
We were stonger  
Alas no longer  
Are we together

And God forbid  
If I should never ever see her  
And God forbid  
If I was to blame  
I remember  
Not so long ago  
When I was hers and she was mine

Together  
We were stonger  
Alas no longer  
Are we together

You see together  
We were stonger  
Alas no longer  
Are we together

So if you see her  
Please please give her this message

Oh how I love her  
Oh how I love her  
Oh yes I love her  
Oh how I love her

You see togehter  
We were stonger  
Alas no longer  
Are we togehter

You see togehter  
We were so strong  
Alas no longer  
Are we togehter
