Hook:

Come on take me, take me
Just take me slow
Love me, love me
Just love me more
You lift me up
I'm losing control.
Oh, oh ho
X2

With the sun, I become a little bit of your everything
Everything, I have been
Shows me now what I really need

Hey baby now
Thin thin thin
I wanna feel all the love you bring!
Hey baby now
Thin thin thin
Show me love and I will show you sin!
X2

[Hook]

With the sun, I become a little bit of your everything.
Everything, I have been
Shows me now what I really need!

[Hook]

You're my love (repeat)

Come on take me, take me
(Produced by groovebox)

Just take me slow
Love me, love me
Just love me more
You lift me up
I'm losing control.
X3

Oh oh ho
Oh oh ho
Oh oh ho
Oh oh ho

Come on take me, take me
Just take me slow
Love me, love me
Just love me more
You lift me up
I'm losing control.
X2

Oh oh ho
