"Free To Be"

Visit "[Free To Be](#)" on MotoLyrics.com

I want you to be free to be, as sexy as you want to be
girl

And Ima be free to be, as sexy as I want to be girl
But I can't do it without you, can't do it without you,
can't do it without you girl
But I can't do it without you, can't do it without you,
can't do it without you girl

Long day, your body ache, don't worry babe ima get
you straight
Lay down, can't wait, baby I can do whatever you say
So tell me all about how the world can't figure you out
You're a Queen; you're a goddess; not to mention baby
girl you the hottest

If you ever feeling like you want to give up your dreams
Just remember baby that your secret's safe here with
me

I want you to be free to be, as sexy as you want to be
girl
And Ima be free to be, as sexy as I want to be girl
But I can't do it without you, can't do it without you,
can't do it without you girl
But I can't do it without you, can't do it without you,
can't do it without you girl

Alright, ok, tell me when you want to step out, I don't
fake
Cause I'm ready, today, C'mon girl if you wanna let's
play
In traffic, either way, you choose it's whatever you say

Are you willing, no games, we got one shot baby what
you say now
If u ever feeling like u want to give up your dreams,
just remember baby that your secret's safe here with
me cause

I want you to be free to be, as sexy as you want to be
girl
And Ima be free to be, as sexy as I want to be girl

But I can't do it without you, can't do it without you,
can't do it without you girl
But I can't do it without you, can't do it without you,
can't do it without you girl

No I won't judge u babe, if u say yes (yes)
I'll never hurt u babe, so just say yes (yes)
If u ever feeling like u want to give up your dreams,
just remember baby that your secret's safe here with
me cause

I want you to be free to be, as sexy as you want to be
girl
And Ima be free to be, as sexy as I want to be girl
But I can't do it without you, can't do it without you,
can't do it without you girl
But I can't do it without you, can't do it without you,
can't do it without you girl
