Oh, baby, baby, baby
I said it was a case of attraction
You said, you told, only agree
Made me feel the need to be there
To call myself your lady
So I cared, and I shared, no-one compared

No, no, no, no, no
You can't have it both ways, baby
No, no, no, I gave it then
You tried to play me
No, no, no, no, no
And now you try to come back to me
No, no, no, no, no
You had your chance,
You've blown it baby
Yeah, ohoo, ohoo

I was never ready to be
What I maybe wanted to be
You were never ready for me
Or together we would be
Yes I said, I'm back babe
No one compared to you
But I guess that's how it goes

No, no, no, no, no
You can't have it both ways, baby
No, no, no, I gave it then
You tried to play me
No, no, no, no, no
And now you try to come back to me
No, no, no, no, no
You had your chance,
You've blown it baby
Yeah, ohoo, ohoo

No, no, no, no, no
You can't have it both ways, baby
No, no, no, I gave it then
You tried to play me
No, no, no, no, no
And now you try to come back to me
No, no, no, no, no
You had your chance,

You've blown it baby
Yeah, oho, oho

No, no, no, no, no
You can't have it both ways, baby
No, no, no, I gave it then
You tried to play me
No, no, no, no, no
And now you try to come back to me
No, no, no, no, no
You had your chance,
You've blown it baby
Yeah, oho, oho
