You've got this power, maybe I've got this power inside
me

It's really something baby

Uh-Huh! Uh-Huh!

You've got me cornered, maybe you'll help me close
my eyes and see

That this life has so much meaning

Uh-Huh! Uh-Huh!

Sit back and fly away

Don't let life pass you by

Stand up and ride this wave

Don't let it beat you

This moment is all about this love

This moment in time

This moment is all about your love

This moment in time

You've got me thinking crazy

All I've been told just doesn't seem

To get me where I'm going

Uh-Huh! Uh-Huh!

There's something so amazing, under the surface
there for me

The truth that I've been seeking

Uh-Huh! Uh-Huh!
