Alright! Me talking to all the world  
Ya better get ready!  
Everybody stand up!  
Come on!

Hard times, hypnotized, made me so in love tonight  
Brown hair, hard to dare  
God is just so unfair, yeah, yeah  
Now I'm happy for such a sweet girl like you used to  
love  
Come on!  
So I try to figure what to say, what to do, so come one!

Chorus:  
Be my lady, lady in the morning  
Lady in the evening, lady in love!  
Be my lady, lady in the morning,  
Lady in the evening, lady in love!

We try to fantasize, feels like a Paradise  
Sweet child, wanna try, wanted you to know that I  
Never met before such a sweet girl like you used to  
know  
Come on!  
So I try to figure out, what to say what to do, so come  
on!

Chorus:  
Be my lady, lady in the morning  
Lady in the evening, lady in love!  
Be my lady, lady in the morning,  
Lady in the evening, lady in love!

Lady in the morning, stand up!  
Oh, come on!  
Oh, be my lady in the evening, stand up, oh come on!  
Oh, be my lady in the morning, morning, morning!

Chorus: (x2)  
Be my lady, lady in the morning  
Lady in the evening, lady in love!  
Be my lady, lady in the morning,

Lady in the evening, lady in love!
