Crow Black Sky "Stars Of God"

Visit "Stars Of God" on MotoLyrics.com

Release me from my cage... Show me forbidden things! Unveil to me the truth... That I may ascend within!

Guide me over mountainsides where weak have stumbled down! Show me ways of arrogance that I may be enthroned! None could fathom the magnitude of what I will become! Glorify the god in me... I worship me alone!

Hereby I denounce all faith, and substitute my mind! Hereby I oppose and abrogate religious lies! Hereby I reject the ancient prophecies foretold! Hereby I exalt my throne above the stars of God!
