When all is said and done
When all is said and done
It's just a trick of light
That you saw

When all is said and done
When all is said and done
It's only make-believe
Nothing more

Falling, falling
Down, down, down, down
Falling, falling
What is that all about

Visions come in the dark
Visions come in the dark
It isn't sick inside
Nothing's wrong

Visions come in the dark
Visions come in the dark
Just look the other way
Now it's gone

Falling, falling
Down, down, down, down
Falling, falling
What is that all about
