We won't say goodbye
This is not the end we know
Truly all who live must die
But not all who live
Have truly been alive

So I will celebrate your love
Celebrate your faith
Celebrate your love
And the legacy you leave

I will celebrate your love
Celebrate your faith
Celebrate your love
And the legacy you leave

We won't say goodbye
This is not the end we know
Truly all who live must die
But not all who live
Have truly been alive

So I will celebrate your love
Celebrate your faith
Celebrate your love
And the legacy you leave

I will celebrate your love
Celebrate your faith
Celebrate your love
And the legacy you leave

Now we won't say goodbye
This is not the end we know
Truly all who live must die
But not all who live
Have truly been alive

So I will celebrate your love
Celebrate your faith
Celebrate your love
And the legacy you leave

I will celebrate your love
Celebrate your faith
Celebrate your love
And the legacy you leave

We won't say goodbye
