Tonight, talkin' to You, I thought to myself  
About all those conversations  
Tonight, somebody new is gonna take control  
Yeah, and that somebody is You

I was only thinkin' of You  
(The Jesus I never knew)  
Thinking of You and now  
You finally broke through tonight

Tonight, it's not just emotion comin' over me  
I hear You callin', "Hey come follow me  
And stop messin' around, it's time to lay it all down"

Out in the fields there's a cold wind blowin'  
But here in your heart, you must surrender, yeah

Tonight, You are more than a mystery  
There's no more fadin' away for me

(Fadin' away, I'm not fadin' away)  
No more fadin' away  
(Stop fadin' away, I'm not fadin' away)  
I'm not fadin' away

(Stop fadin' away, I'm not fadin' away)  
I'm not fadin' away  
(Stop fadin' away, I'm not fadin' away)  
I'm not fadin' away

(Stop fadin' away, I'm not fadin' away)  
I'm not fadin' away  
(No more fadin' away)  
(Stop fadin' away, I'm not fadin' away)  
I'm not fadin' away

Only thinkin' of You  
(The Jesus I never knew)  
And now You finally broke through  
(The Jesus I never knew)  
Tonight
