Take away everything I have
Never change what You mean to me
I won't be swayed by the ways of man
What they say or tell me to believe
I will stand strong
You can count on me, Lord
I will be here, yeah
Nothing will shake me
No, nothing will pull me away
Ooh

Chorus:

I am unshakable
I am unmovable
You have called me by name
And planted me here
I am unshakable
I will live all of my days
Just to bring glory to You
I will sing of my Redeemer
Ever constant, ever faithful, ever true
I'll lift up the name
Of the Lord most high
I will praise You
Hey, I will
Oh, You have delivered me
And You have set my soul free
Set my soul free

Chorus:

I am unshakable
(I am unshakable)
I am unmovable
(I am unmovable)
You have called me by name
And planted me here
I am unshakable
I am unshakable
(I am unshakable)
I am unmovable
(I am unmovable)
You have called me by name
(Called me by name)
And planted me here

I am unshakable
Bridge:
Kingdoms rise and kingdoms fall
But my Creator will rise above them all
We'll not build on the temporary
My hope is built on eternal love
Eternal love, yeah
I'll lift up the name
Of the Lord most high
And I will praise You
For You have delivered me
It was You who set my soul free
You set my soul free
Chorus:
I am unshakable
(I am unshakable)
I am unmovable
(I am unmovable)
You have called me by name
(Called me by name)
And planted me here
I am unshakable
I am unshakable
(It's a beautiful sound)
I am unmovable
(Moving through the crowd)
You have called me by name
(Voices lifted up)
And planted me here
(On high, on high)
I am unshakable
I am unshakable
