Dethrone the Emperor,
Crush His crown to pieces,
Desecrate the harem,
Fornicate all of His concubines!

Terror in the forbidden Palace,
Slaughtering hopeless eunuchs,
Imperial servants butchered,
Erasing His majesty, the fall of a dynasty

Razor sharp spearhead,
Perforator of opposer,
Piercing through flesh,
Perpetrator of genocide

Under siege,
Towers collapse, gates blown open,
Surrounded,
Imperial troops submit to defeat

Indomitable force, bestial and cruel,
The mighty Conquerors of the chaos,
Inexorable division, grim and barbaric,
The Divine Conquerors of Divinity
