Massive assembly, compelled to the death march  
Forced with aggression, cruel unmerciful treatment  
Assault, trample and stomp on those who disobey  
Weakened individuals are granted with their demise

Prisoners robbed, personal belongings seized  
Promised supply of rations completely denied  
Forced to withstand unbearable hot blazing sun  
Exceptional practice of wanton execution

Unimaginable acts of inhumanity  
Immediate execution for disobedience  
Inflicting agonizing pain with no mercy  
Perverse butchery, lives taken for granted

Firearms confiscated, retaliation became impossible  
In fear and despair, all hope is lost, vanished  
Starvation causing many to collapse  
Subsequently rifled, a mandatory death penalty

Profane acts of insane, ungodly cruelty  
Women fornicated, bodies stripped down to bare  
Human remains found on the ground  
Being run over by military vehicles

Forwards to the death march  
No sympathy for prisoners of war  
Slain bodies are left behind  
Rotting under the scorching sun
