+You're Getting To Be A Rabbit With Me
Though you once were the best bunny at the Playboy
Club,
You're getting to be a rabbit with me.
I just sit there and stare as you hop from shrub to
shrub.
You're getting to be a rabbit with me.
When I proposed to you that evening last spring,
You said you'd be my mate.
So I went out and bought a two-carat ring,
And both of them you ate!
Then your ears grew an inch, and your nose began to
twitch,
And I noticed your tail was attached permanently.

So I keep you in the back yard, in a wooden hutch,
'Cause you're getting to be a little too much.
Like Bugs Bunny,
You're getting to be a rabbit with me.
I feel like something's switching,
It's all so strange and new.
Egad, my nose is twitching,
I'm a rabbit too!
I'm getting to be a rabbit,
Hippity hop, I love you,
I'm getting to be a rabbit like you.
Move over honey, and pass the lettuce!
