Grace - gracious love
Reaching out to take me as I am,
Accepting - expecting I will do the best I can
Caring - you cover me, clothed in Your own
Righteousness I am
Exactly - What You've made me, by grace I have found
Favor in the Lamb

Cover me - cover me - cover me.

Mercy - made free to me
Eternal life, a gift that has no end.
Receiving - believing in the mercy You extend.
Cover me - you cover me, clothed in Your own
Righteousness I stand
Your mercy - has made me a part of Your salvation
army
Band.

Heart to God, Hand to Man
Saved to Serve, Salvation Army Band

Peaceful sleep
Enjoyed by those whose eyes find rest in you.
Adoring - the glory of Your presence is in view.
Cover me - you cover me, clothed in Your own
Righteousness I stand
Eternally - You made me a part of Your salvation army
Band.

Cover me - cover me - cover me.

Heart to God, Hand to Man
Saved to Serve, Salvation Army Band
