Here I am I've come to play
Me and the boys got something to say
Got a Stratocaster and a Marshall stack
It's a stone cold fact

It's gonna get loud
Jimi Hendrix loud
Walls coming down
People gonna be jumping in the crowd
It's gonna get loose
It's gonna get hot
If you don't like to rock
Well you better leave now
'Cause it's gonna get loud

Will it ain't a party till they call the cops
It ain't over till the music stops
No this ain't your momma's kinda show
Don't stand too close

It's gonna get loud
Allman Brothers loud
Walls coming down
People gonna be jumping in the crowd
It's gonna get loose
It's gonna get hot
If you don't like to rock
Well you better leave now
'Cause it's gonna get loud

It's gonna get loud
Old Bocephus loud
Walls coming down
People gonna be jumping in the crowd
It's gonna get loose
It's gonna get hot
If you don't like to rock
Well you better leave now

Here I am I've come to play
Me and the boys got something to say

Got a Stratocaster and a Marshall stack
It's a stone cold fact

It's gonna get loud
Lynyrd Skynyrd loud
Walls coming down
People gonna be jumping in the crowd
It's gonna get loose
It's gonna get hot
If you don't like to rock
Well you better leave now
'Cause it's gonna get loud
