[From the CD of Invisible Men]  
Sunday morning  
There's a cold wind  
Down by the Tatterdoo  
Rocks are scarred with blue  
No one saw her  
Like a seabird  
Fly high the crested waves  
Saw her fall from grace  
Solomon Brown  
Solomon Brown  
Facing the storm alone  
Losing your way home  
Can you hear me?  
There's a cruel sea  
God knows how hard we tried  
Save us from this night  
Solomon Brown  
Solomon Brown  
Facing the storm alone  
Losing your way home  
Sunday morning  
There's a cold wind  
Down by the Tatterdoo  
Rocks are scarred with blue  
Solomon Brown  
Solomon Brown  
Facing the storm alone  
Losing your way...
