What can I say
That You have never heard
What can I offer You
And where can I go
That You have never been
That You can't lead me through
Take my hand
Hear this cry
Only You can satisfy
Fall down on me
Drop me to my knees
Pour over me
I'm deeper than the sea
Rain on me
With a love, until I drown
I need You to fall down
Well if I had one place
Just one place to be
Well, I'd be at Your feet
And if I had one prayer
I know that I'd pray
I'd ask You to fall down on me
Take my hand
Hear this cry
Only You can satisfy
Fall down on me
Drop me to my knees
Pour over me
I'm deeper than the sea
Rain on me
With a love, until I drown
I need you to fall down
Take my words
Hear this cry
Only You can satisfy
Fall down on me
Drop me to my knees
Pour over me
I'm deeper than the sea
Rain on me
With a love, until I drown

I need you to fall down
