Mountains high  
Valley's low  
These are the things  
That makes us grow  
But all I want to know  
Is if you can hear me  
And all I want to know  
Is if your still there  
So I can feel your love  
Wash over like rain  
I could feel your joy  
In the midst of this pain

Can you shine?  
Shine, on me  
Can you shine?  
Shine, on me  
And give me the faith  
I long to believe, please

Season's change  
Well I change too  
Like spring and summer  
And I fall to you  
And all I want to know  
Is if you can heal me  
And all I want to know  
Is if you're still listening God  
And all I want to know  
Is if your still there God

So why don't you shine  
Come on shine on me  
Why don't you shine?  
Shine, on me  
And give me the faith I want to believe, believe

I believe  
I said I believe  
No one's gonna take away that from me

So why don't you shine

Come on Shine on me  
I know you will shine, you will shine on me  
I know you're going to shine on me  
And you'll give me the faith I know to believe, believe

Season's change  
Well I change too  
Like spring and summer  
And I fall to you
