

Cryo "The Pain"

Visit "[The Pain](#)" on MotoLyrics.com

I walk with shadows
Dancing with strangers
Playing the silence
Act on arrival
A feel of numbness
Sick to my stomach
Watching behind me
Seeing the wanderers

The void
The pain
The dark
The scene

But why this violence
Something inside you
To remember
Dark and rancid

The rain
The dead
The truth
The speed

Something inside
Raising it's rage

I believe it's in my heart
I believe it once again

When we were happy
All our troubles
In the distance
For tomorrow

The one
The hunt
The down
The blood

The right
The blur

The men
The cold

Something inside
Raising it's rage
I believe it'€™s in my heart
I believe it once again
And now you will know
Wondering how
