What can I say  
That You have never heard  
What can I offer You  
And where can I go  
That You have never been  
That You can't lead me through  
Take my hand  
Hear this cry  
Only You can satisfy  
Fall down on me  
Drop me to my knees  
Pour over me  
I'm deeper than the sea  
Rain on me  
With a love, until I drown  
I need You to fall down  
Well if I had one place  
Just one place to be  
Well, I'd be at Your feet  
And if I had one prayer  
I know that I'd pray  
I'd ask You to fall down on me  
Take my hand  
Hear this cry  
Only You can satisfy  
Fall down on me  
Drop me to my knees  
Pour over me  
I'm deeper than the sea  
Rain on me  
With a love, until I drown  
I need you to fall down  
Take my words  
Hear this cry  
Only You can satisfy  
Fall down on me  
Drop me to my knees  
Pour over me  
I'm deeper than the sea  
Rain on me  
With a love, until I drown  
I need you to fall down
