Verse 1

{ooohhh (x4)}
Everything I am I give you
All I hold inside is for your praise
And it's all for you
All my life to you surrender
All I have I give to you alone
And it's all for you
It's all for you
It's all for you

Chorus

{my soul sings (x2)}
Hallelujah
God great and glorious You are
God great and glorious
{my soul sings (x2)}
Hallelujah
{God great and glorious You are (x2)}
{ooohhh (x2)}

Verse 2

All the worlds that You've created
Burst in life and beautiful display
And it's all for You
Earth to sky to You surrender
All creation rises at Your name
Yea it's all for You
It's all for You
It's all for You

The heavens high
By Your power
The Earth and sky
God your love and starry night
King of angels
Jesus Christ
