Forgiven  
If only you'd forgive yourself  
You've been made new  
But you're standing where you fell  
Because when you look in the mirror  
It seems like all you ever see  
Are the scars of every failure  
And the you that you used to be

Tell your heart to beat again  
Close your eyes and breathe it in  
Let the shadows fall away  
You'll live to love another day  
Yesterday's a closing door  
And you don't live there anymore  
So say goodbye to where you've been  
And tell your heart to beat again

Forgiven  
Just let that word wash over you  
It's all right now  
Love's healing hands have pulled you through  
So, get back up and take step one  
And now you're new life has begun  
And know that if the Son has set you free  
Then you are free indeed!

Tell your heart to beat again  
Close your eyes and breathe it in  
Let the shadows fall away  
You'll live to love another day  
Yesterday's a closing door  
And you don't live there anymore  
So say goodbye to where you've been  
And tell your heart to beat again

Hope is reaching from a rugged cross  
Where a perfect love recaptured all the innocence  
that's lost  
And mercy's calling from an empty grave  
So lift your eyes to heaven

And hear your Savior say

Tell your heart to beat again  
Close your eyes and breathe it in  
Let the shadows fall away  
You'll live to love another day  
Yesterday's a closing door  
And you don't live there anymore  
So say goodbye to where you've been  
And tell your heart to beat again
