Whose voice is this, that is over the water?
That thunders and shakes the mountains and plains
Whose voice is this, which skips cross the desert?
The wiled that sings at the sound of your name
Who voice if full of wonder
And majesty untold
Who voice is this that is calling the nation
To rise up and praise you with great shouts of joy
And whose voice that has called me from darkness
And chose me before the foundation was laid
Whose voice in this, that calls me beloved
And tells me I'm free, and my debt has been paid
Who voice if full of wonder
And majesty untold
And whose voice is this that is calling his children
To rise up and praise him with great shouts of joy

The voice of the Lord I calling his children
The voice of the Lord is shaking the earth
The voice of the Lord echoes like thunder
Is awesome in glory
Hear; hear the voice of the Lord
Yeah, yeah

Let those who have an end
Hear his mighty voice
His voice is deep inside my soul

The voice of the Lord I calling his children
The voice of the Lord is shaking the earth
The voice of the Lord echoes like thunder
Is awesome in glory
Hear
The voice of the Lord I calling his children
The voice of the Lord is shaking the earth
The voice of the Lord echoes like thunder
Is awesome in glory
Hear; hear the voice of the lord
Hear; hear the voice of the lord
Yeah, yeah
