Made up my mind the last time
I was gonna let you go
Next time you did me wrong, I was gonna be strong
If you came back, thought I'd say no

Deadbolt lock on the front door
I called and had my number changed
But all defenses fail when you rang on my bell
Now look who's holding who again

Oh, but you bring out the lover in me
I just can't help myself when you're
around
The talk is tough but the body's so weak
You bring out the lover in me
You bring out the lover in me

Deadbolt locks on the front door
So don't you try my number again
My protection is gone, I don't wanna be strong
So try your lovin' tactics again

Oh, cuz you bring out the lover in me
I just can't help myself when you're
around
The talk is tough but the body's so weak
You bring out the lover in me
You bring out the lover in me

See your face
Yeah, yeah
Hear your voice
Yeah, yeah
Lose my cool like a fool
Cuz I got no choice
Yeah, yeah, yeah

You bring out the lover in me
I just can't help myself when you're
around
The talk is tough but the body's so weak

You bring out the lover in me
You bring out the lover in me
I just can't help myself when you're
around
The talk is tough but the body's so weak
You bring out the lover in me
You bring out the lover in me
I just can't help myself when you're
around
The talk is tough but the body's so weak
You bring out the lover in me
