Stopped at a red light waiting for a green.  
I can't wait to tell of all the power I've seen.

I've found my things let's get on with the show.  
Like TNT I'm ready to blow.

OOO - We're prime to rock steady.  
Pack it up. Tighten down the load.  
OOO - Now I feel ready.  
With permission from the top, take it to the road.  
(We'll take it)  
All around the world - Telling it like it is.  
All around the world - Show them that He lives.

I'm ready and willing and I know I've got the right  
When I hear those wheels roll on through the night.

Dreamd come true if you give them a chance.  
So when the Lord says "move" you'd better start to  
dance.

OOO - We're prime to rock steady.  
Pack it up. Tighten down the load.  
OOO - Now I feel ready.  
With permission from the top, take it to the road.  
(We'll take it)  
All around the world - Telling it like it is.  
All around the world - Show them that He lives.

There's nothing like seeing kids come to know the Lord.  
There's power and privilege when you're holding up the  
sword.

Nothing comes easy when you stand against hell.  
Though the fire be hot there is water at the well.  
(And)

OOO - We're prime to rock steady.  
Pack it up. Tighten down the load.  
OOO - Now I feel ready.  
With permission from the top, take it to the road.  
(We'll take it)

All around the world - Telling it like it is.  
All around the world - Show them that He lives.
