6:30 Daylight time
Sun has started its downward climb
Show begins in just half an hour
Hurry up, Dave, and take your shower

It shouldn't have to be
My own reality
I'll keep my ticket but I'll leave my heart inside
They take half and I'll be fine
Tear it down the dotted line

It started right on time
I'm still in the concession line
Sodas only \$3.99
Get your own 'cause you can't have mine
It shouldn't have to be
My own reality
I'll keep my ticket but I'll leave my heart inside
They take half and I'll be fine
We can go again at nine
Fifty cents on Tuesday night
Tear it down the dotted line
