Sometimes I wonder
If I'll ever find her
The one that God's chosen for me
And what if I find her,
But she doesn't like me,
I guess that disproves destiny
But I should know better,
The sea is much wetter
With plenty of fishes to see
(For you and me)
And I know my Father
Has scoped out the water
And picked out a fishy for me
Jesus has a girl for me
She's everything I want her to be (Yeah!)
Jesus has a girl for me
I know he does just wait and see
Jesus has a girl for me
She's everything I want her to be
Jesus has a girl for me
And I'll love her, and she'll love me
Once in a while
I'm tempted to hook up
With any old Suzy or Jane
Who cares what she is like,
As long as she's pretty,
I don't even hafta know her name
But I should know better the sea is much wetter
With plenty of fishes to see
And I know my father
Has scoped out the water
And picked out a fishy for me
Jesus has a girl for me
I know he does because he told me
In his word, the Bible
The desires of my heart he'd give me
Every good and perfect gift,
We know is from above
But there is one gift that I haven't got
And that's the gift of love,
Now I know Jesus loves me
And I am so in love with Him

But that's a different kind of love, love, love,
That I've been thinking of
I want a girl with big, brown eyes
And smile so sweet,
Where is the girl who loves Jesus as much as me?
I want a girl, I want a girl,
With big brown eyes and smile so sweet
I want a girl, I want a girl,
Who loves Jesus..... Just as much as me
